I'm not fully finished with revising the draft, but here's the most up to date version. Also – I haven't touched the compliance section.

I also was not able to put a different color for my edits versus WF's edits.

As you'll find, I've accepted some of WF's edits in the opening sections.

I kept in dispute resolution and force majeure sections.

I want to get feedback from you on the two crossed out paragraphs before the definitions section -- waiver of paperwork reduction act and ex parte.

I'll bring my computer so we can go through this together at 10:00.

Thanks,
Laura
